

# **Announcing a Fall Conference in 2017**

**September 29-30<sup>th</sup>, 2017**

## **The History of the Church and the Bible**

*For some time I have personally researched the history of the church and the Bible and have found it challenging and exciting. With so much confusion and misrepresentation being taught in the colleges and churches, that, maybe, we need to bring forth the facts that have created a lot of problems in the churches and are a direct result of this. The problem lies in where the source comes from and how this came about.*

*Various people have talked and inquired about it but it seems that the subject has been avoided, the time has come to discuss this objectively and with the facts.*

*I had researched and talked to various scholars and researchers and finally selected what I believe are the best ministries of today that deal directly with the issues.*

*Because our spring conference deals from a pretrib, bible prophecy perspective and movements that are slowly infiltrating the evangelical fellowships, as the word of God so clearly warns about, it might be best not to change the roots of the conference. The subject matter is part of the problem, but would take up the bulk of the conference, so let's have another conference and deal with the subject matter.*

*The Heritage Inn has been booked and they have a seating capacity of 175-200.*

*This will be a 1 ½ day conference with 3 speakers who will have 3 messages each. After supper each night, one will moderate the other two, and then the floor will be open for questions and answers for all those attending to participate.*

### **The following are the Speakers:**

*David Daniels – Chick Publications*

*Chris Pinto – Adullam Films*

*Dr. David Brown – Missionary - Pastor First Baptist church*

*These gentlemen are all scholars, researchers and are knowledgeable in this field. The information will be posted on our web site [Discerning the Times](#). Lord willing, I will have the agenda and information needed for you to decide if it is of interest to you at our spring conference.*

*Please pray for this conference, the speakers, the attendance and finances to cover the costs and as usual if God's has ordained it, He will supply the needs. Praise the Lord for His Grace, Mercy and Love.*
